Happy
March!

ASC Member of the Quarter

By The ASC Board of Directors

Name: Colleen F. Caswell

The ASC board of directors has nominated Mrs. Colleen F. Caswell as the ASC member of the quarter. Colleen serves as the club's secretary and devotes many hours attending monthly board meetings, organizing new member orientations, and maintaining the NRA and State Association Recruiter Programs.

Additionally, Colleen serves as the club's President in the absence of the President and Vice President performing those duties with full authority in such instances. Please join the board of directors in recognizing her dedication, initiative, and hard work

to make our club run in an efficient and organized manner.

Joining ASC

If you know someone who is interested in joining the club, please have them send an email

to secretary@airfieldshootingclub.org

expressing interest in joining the club. New member events are held about every other month. Once the date is secure, the secretary will email everyone on the list the date, details and send out the application.

ASC Restrooms

Now that COVID is subsiding the Airfield Conference Center will start cleaning the restroom at the range every week. At the present time the cleaning personnel do not have ASC club badges, but are allowed in the parking and restroom areas to conduct their cleaning responsibilities. Please show them respect and allow them to complete their cleaning activities.

ASC Webmaster Position Available

ASC Members,

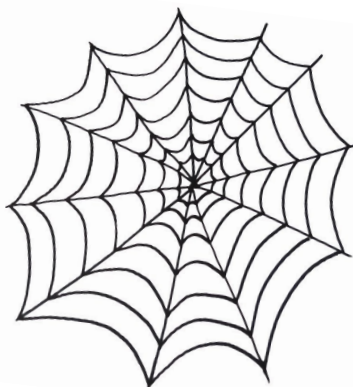

Due to family and work commitments, after quite some time serving as the club's webmaster, I've decided it's time to step down from the position. I've been passively looking for a member that has interest for some time, but it's time to ramp up efforts to find a quality replacement. I'll continue serving until we can find a replacement in a limited capacity.

If you are interested in becoming a member of the ASC board, maintaining our website and email automation system, and helping out with other technology related needs for the club this might just be the position for you. The website runs on WordPress and is minimally customized so there shouldn't be a huge learning curve for anyone who has WordPress experience.

If you are interested in the position and want to learn more, please send me an email.

Jon Welters

webmaster@airfieldshootingclub.org

2022 Bowling Pin Matches

Attention all members. We are pleased to announce that the 2022 Bowling Pin Match season kicks off on April 2nd at 9:00 AM. As always, the match is at the ASC range in Wakefield VA. The 2022 tables are built, and the pins needed for the year are stacked high. If you have ever wanted to shoot on brand new tables, this is your only chance this year to do so. The rules have not changed for 2022, but it never hurts to refresh yourself. You can find them along with the directions to the match at www.airfieldshootingclub.com. And of course, our resident assistant chief adjunct pinhead is always available at stevengordon@cox.net for those more perplexing questions like should I use a 9mm for carbine.

See you out there!

ASC Newsletter Editor

Event organizer needed for ASC Service Rifle and Zombie Matches. **Range Safety**

Don Aubuchon, Editor

Hello Members,

We are in need of a volunteer(s) to organize and run our Service Rifle and Zombie Matches. CMP Rifle shooting and rifle match experience is a plus, but not necessary. But running a range and RSOing a match is.

The matches are normally on the second Saturday of every month and start early in the morning.

If you have some free time and can organize and run things, this is a great opportunity to help out the club. The volunteer will get service hours for time spent on and off the range.

If this is something you would be interested in doing, please contact the secretary at: secretary@airfieldshootingclub.org

Thank you.

Michael J. Lawler

Assistant Secretary ~ Airfield Shooting Club

The Board of Directors would like to remind members that range safety is everyone's responsibility. We all must be involved to ensure that our range is run in a safe manner.

Members are to exercise care and common sense at the range. Watch yourself and fellow members. Members are expected to quickly and firmly act to correct unsafe practices and save someone from avoidable injury or death.

DO NOT become upset if you are corrected for a safety violation. We all make mistakes and can benefit from the counsel of others.

Members are responsible for maintaining a thorough knowledge of, and complying with, all rules and regulations. Further, members are also required to ensure that their guests comply.

Upcoming Events
